

## How Adoption Works

Welcome to Adopt a Pet, a web platform, established by Mars Petcare to connect pet lovers who would like to adopt pets from registered animal shelters in their region.

We have a passionate belief that every dog and cat deserve a loving home and aspire to help re-home homeless pets across India.

Our objectives are simple yet challenging enough to...

- Encourage adoption to give pets a second chance while giving shelters the opportunity to take and care for other homeless and stray dogs and cats
- Help pet owners fulfil their lifetime commitment to their pets
- Encourage pet owners to act responsibly so both them and their pets are welcomed as good neighbors within community
